

# 2022 INDUCTEE INTO THE SKIF-USA HALL OF FAME

It is with great honor and respect that the SKIF-USA Board of Directors announce the 2022 inductee into the SKIF-USA Hall of Fame. This program has been created to recognize the valuable contributions our members have made to the development of SKIF, SKIF-USA, and Shotokan Karate.

## **Sensei Glenna Burleson, CA**

Sensei Burleson was a founding board member for SKIF-USA. At the request of Soke, she became the first General Secretary, a position she held from 1998 - 2006. During that time she worked tirelessly to create the structure SKIF-USA functions under today. During her tenure with SKIF-USA she attended numerous tournament and international events. At all of these events, Sensei Burleson represented SKIF-USA with dignity and humility. She was a true ambassador of Soke Kanazawa's philosophy of harmony with oneself, others, and nature. Her leadership during those formative years was essential for the success of our organization.

In 1991 Sensei Burleson opened her own dojo, Peak Performance Shotokan Karate-Do in New Brighton, Mn.

Sensei Burleson is a model teacher who believes profoundly in Soke's message of Shotokan Karate being a vehicle for world peace. All of SKIF-USA is grateful for her contributions.
